

Project Management & Delivery

FortisCo is an outsourced project management and commercial delivery partner supporting retail, hospitality, commercial and industrial projects across Southern Africa.

From site survey and program development to procurement, stakeholder coordination, installation, snagging and handover, we bring structure, visibility and practical follow-through.

Protect

Represent the client's interests.

Coordinate

Align teams, decisions and actions.

Deliver

Drive progress, quality and completion.

Flexible capability, matched to your project and program.

- | | | |
|----|--|---|
| 01 | Client-side project management | Lead scope, programme, procurement, delivery, close-out and handover. |
| 02 | Retail & hospitality fit-outs | Coordinate landlords, designers, shopfitters, contractors and suppliers. |
| 03 | Multi-site programmes | Standardise surveys, programmes, reporting and handovers across every site. |
| 04 | Commercial growth support | Develop opportunities, strategic accounts, pipelines and commercial follow-through. |

Planning a site, relocation or rollout? Bring FortisCo in before complexity becomes delay.
